TOWN OF FREDONIA, ARIZONA
Notes to Annual Expenditure Limitation Report
Year Ended June 30, 2020

Note 1. Summary of Significant Accounting Policies

The Annual Expenditure Limitation Report (AELR) is presented on the basis of accounting prescribed by the *Uniform Expenditure Reporting System* (UERS), as required by Arizona Revised Statutes §41-1279.07, and in accordance with the voter-approved alternative expenditure limitation plan as authorized by the Arizona Constitution, Article IX, §20 (9). The voter-approved alternative expenditure limitation was extended.

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed in part II and each subtraction or addition in the Reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds, Statement of Revenues, Expenses, and Changes in Net Position for the Proprietary Funds, Statement of Cash Flows for the Proprietary Funds, and the Statement of Changes in Fiduciary Net Position.

Note 2. Reconciliation Deductions and Additions

Details for the subtraction for depreciation and the additions for principal payments and the acquisition of capital assets are all provided in the Statement of Cash Flows for the Proprietary Funds and the financial statement footnote for long-term debt. The subtraction for pension expense is a negative amount due to the calculated change in the net pension liability as reported in the Statement of Cash Flows for the Proprietary Funds.

The addition of principal payments on long-term debt in the Enterprise Funds consists of \$125,569 paid on loans payable during the current fiscal year. The addition for the acquisition of capital assets consists of \$319,279 paid for the acquisition of equipment and infrastructure improvements in the Enterprise Funds.

Note 3. Exclusions

Exclusions from local revenues, including those enumerated in the Constitution, may be taken against alternative expenditure limitation only if such exclusions are specifically identified in the resolution and the publicity pamphlet. There are no such exclusions specifically identified.
